The Oakey Rally was a great success, in that, much was achieved in the Spirit realm, great friendships were made, the coming together of different Ministries, in that we can reach out to the different areas where ever God leads us. Congratulations to Pastors Broderick & Jennifer Walters for the wonderful effort they put in; lets not forget the helpers over the week they were a great blessing to “The Harvest of Souls Ministry” God bless you all real good”

BE VERY CAREFUL WHO YOU TAKE ON!!

I do not know any other way to say this!!

What I am about to say is not always popular, some Pastors will listen others will not. Please take warning.
{ BEWARE OF WOLVES IN SHEEP CLOTHING }

Matt 7: 15 & 16 “Watch out for false prophets. They come to you in sheep’s clothing, but inwardly they are ferocious wolves. 16: By their fruit you will recognize them.

Acts 20:29 & 30; I know that after I leave, savage wolves will come in among you and will not spare the flock. 30: Even from your own number men will arise and distort the truth in order to draw away disciples after them. {New international Bible}

Please, Please, Please take heed, Just because someone comes to you and wants to get up on your pulpit, or they have a lot of sound gear and music, UNLESS you know them or they have very good credentials, I am not talking about a piece of paper, Don’t let them get up, I have seen so much of this; They will try and bring what you are doing to naught, to bring in their own agenda, and take over what you are doing. In these last and closing days of time, we **must, must, must** listen to the voice of the Holy Spirit, and take heed to His advice. Remember Pastors, YOU are responsible for the sheep God has placed in your care. Weather you are running a Church, Camp, Rally, Ministries, it is up to you the leaders to make sure you are feeding the sheep on good food, and not something that is contrary to God’s Word. “There must be order in the house of the Lord”

Should you need to know more about what I am saying please give me a call on Mob: 0418 755 512; 0400 711 709. And I will tell you.

You may think this is a little hard: No I am your friend; and the truth will set you and your people free.

God bless you real good: Pastor Les Moore.

Do Not Compromise

The devil will look for ways to make you fail just when you are on the verge of a breakthrough.

Matthew 4:8 Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them;

:9 And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.

:10 Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.

:11 Then the devil leaveth him, and, behold, angels came and ministered unto him.

When you look at it, the devil offered Jesus exactly what Jesus had come to this world to obtain. Jesus came to win the kingdoms of this world to our God.

What the devil is saying to Jesus is: “Hey” You can take a shortcut, I will give you what You want, You don’t have to do it God’s way. You will have to compromise Your integrity, but think of how quickly You will succeed! You can even avoid the whole sacrifice thing! You don’t have to do it God’s way at all.

Listen, anytime God has set a goal for you, and you are going to obtain something, the devil will always come and try to get you to compromise and offer you a substitute.

He will tempt you by saying things like, “ you can get what you want without living by all those narrow, restrictive rules that God puts on peoples lives. You can be dishonest, you can be unfaithful, you can compromise, and you can still be blessed, and you can still be happy” **DO NOT BELIEVE THE DEVIL FOR A MOMENT;** Compromise, leads only to ruin. The devil is the father of lies. “John 8:44”

“ So do not Compromise”

God bless you real good: Pastor Les.

Pastors Need Pastoring, Too

Pastors teach, uplift, and encourage their congregation day after day, service after service, week after week, But who encourages them. They are flesh and blood just like any other Christian, and after awhile, they can become tired, discouraged, and feel they have failed in the area of Pastoring.

There are times when Pastors need to get away to be Pastored himself. For those of you who are in Ministry already, or are just coming into Ministry, it is good to take a break away from the Church or Ministry once in awhile.

It is good to sit down with other Pastors and find out that your problems are not unique, that you are not the only one facing certain situations.

As a minister, one of the greatest times comes when you can sit down with fellow ministers, and have a good talk and laugh with them about all the things each other are going through. You can sit in your church or your ministry office, {where ever that is for you} and think this is the most unusual problem; But when you fellowship with other Pastors, you soon learn that the devil is the same wherever you go, he pulls the same tricks on everyone. { Remember all ministers are human }

So you see it is the wisdom of God to get as many Pastors and Leaders in one place at Conventions, Rallies, not to be there just to make up the numbers, but be there to have fellowship with the other men and women of God; Not there {Too be seen of man} be there to have fellowship with the Lord and other ministry teams.

So you see Pastors need to be ministered to once in a while also. There is no place in the Gospel for lone rangers; There is no place in ministry for people who when they can’t get their own way; spit the dummy and leave; {that is immaturity and carnal} There are only places in God’s work, for those willing to come together in love and unity; to Build Bridges; and work together too build the Kingdom of God. Amen

God bless you real good

Pastor Les.

Firstly Betty & myself want to thank Broderick & Jennifer for stepping out & holding the tent rally in Oakey. God wants people that are prepared to step out. Amen ! We Bless God for all the new friends we made & catching up with some that we have known for many years. Meeting & hearing what Pastors Les and Sister Ann are doing was God,s confirmation That my Prayers have been answered & that someone was willing to step out in Faith & give a covering to the grass roots people of our Nation. We will certainly align ourselves with this Godly couple.

We would like to take this opportunity to invite one and all to Desertlands Convention From June 23rd. to 27th. Our theme will be Reconciling one to another through Reconciliation to God. EPH.2 V14-18. It has been on our hearts for a long time for Churches & Tribal groups to put aside their differences & come together to Glorify HIS name. Just like Ps. Les We have travelled to many places across this Nation & witnessed many sparks of Revival but can you image if we can all get to-gather in Unity those sparks will **IGNITE** & we will see a mighty flame that will spread across this Nation like never before. We have to be prepared to get out of our comfort zones & make the effort to be a part of Christians taking back what rightfully belongs to us. We will see the Prophecy over this Nation come to pass & we will Boldly claim **WE ARE THE GREAT SOUTH LAND OF THE HOLY SPIRIT! AMEN!**

Come expecting & Believing in Miracles Signs & Wonders. Jack & Betty are organising this Convention but it is that God receives all HONOUR & GLORY. You will get an opportunity in our sharing time to let us know what God is saying to you. We can do it!!

If the Gay Mardi Gras can get all that attention imagine what God will do if we all come together in one accord. We will continue to bring updates over the next 2 months but we urge you to begin Praying daily for this week of Miracles.

WE have heard from Amata on the Pitjantjatjara Lands to tell us they are coming. A bus load of Arrrente People are coming from Alice Springs, & we will have others like the Walpiri Christians from the Tanami Desert & we want you, God wants you. Give us an e/mail or phone call if you want to let us know you are coming & would like to share an item or Testimony.

God Bless you all, God loves you & so Does Ps. Jack & Betty.

P.s. A team from Arnhem Land has advised they are coming.

Pastors Les & Ann says they are looking forward to meeting up with all the folk coming down from the top end, NT, and anyone else who comes from wherever.

This is going to be a great time of Blessings, to be able to sit and listen to Anointed men & women ministering the Word of God. { I believe this is going to be a special time of "Building Bridges"

MOREE RALLY

The Moree Rally with Pastor Glenda Nicholls & team will be on from the 8th to the 12th July 2010;
This will be a great time of blessings in the Lord .

Should you wish to attend the Moree Rally, Pastor Glenda can be contacted on Mob: 0458 774 240.

A Vision I had many years ago, about the Outback,

I was standing at the head of two rivers running almost in the same direction. As I looked down these dry river beds, and the country between them, every tree, every blade of grass was dead, it looked so horrible, cold and so dead and barren. The Lord spoke to my Spirit and said; Who will take up the challenge and start spreading the water of life. {Meaning taking Jesus out to these remote places}

The next thing I was standing at the end of these rivers, as I looked up toward the head of these rivers I saw water starting to run down these dry river beds, wherever the water touched the banks and areas between the rivers it started to all come alive and get green and lush again, it was so very powerful., I believe this is the season where we really need to spread the waters of life and see a harvest for the Kingdom of God

This is another Vision I had about the same time. I was standing in as it were a park, the leaves were all falling from the trees covering the ground. All of a sudden the leaves on the ground started to quiver, as I looked I saw the outline of a mighty giant, getting up on its knees, the Lord spoke to my Spirit and said, this was My people laying dormant, I have challenged them to arise, stand up, and become that mighty army I am going to Anoint in these last days.

God bless you real good: Pastor Les

People have said to me, {the Bible is nothing but a book of does & don'ts} I say NO the Bible is a book of boundaries {stay within the boundaries of God's Word and you will be safe; step over the boundaries and you will find yourself in trouble}

Stay within the Boundaries and you will

God's Word safe
Boundaries

Be safe

Step outside the boundaries of God's Word and
Down the mountain you will slide

Mountain "Danger"
