Here I am Lord send me

Q How many times have you wondered weather or not you will ever be used of God, Or maybe you are already being used but you feel that God is calling you into a deeper ministry You don't know when it will be but you would like to know. Laborers are few, sadly this department is understaffed. WHY? It is often bought about by simply being ignorant of what God request us to be, Faithful servants according to His will and purpose. Go ye into all the world and preach the Gospel. Who is God commissioning to go? YOU AND ME God needs us, Let us be honest with ourselves, most of us need some rough edges knocked off. Let us take a look at three attitudes that are found in Philippians that may help us to come to that time of service.

1) UNITY The first attitude that Paul emphasis's is the attitude of being one in the Spirit. Unity without this attitude there can be no ministry of effectiveness in our Christian life whatsoever, we must be serious about being effective for Christ Phil 1:27 Phil 2:2. One of satans big guns is disunity, It is like a cancer it spreads, it names, it causes grief and finally it destroys. Satan loves it, it is so effective, he will beguile whosoever, he will temp you to question beliefs and authority, this is the effect of disunity.

Better way Phil 4:8

Q You are seeking to be an active servant in Gods kingdom.

A: You are going to need all the authority that Jesus has given you, to be a effective minister of authority we must learn to be united at home, work, in the church.

2) Humility

Phil 2 gives us a magnificent example of the attitude required of us.

Phil 2:5-8

I can almost hear the cry how can we equal this?

We could never equal this but,

Paul says! That our attitude is to be the same, an attitude of humility.

This will not simply arrive in the post, we have to work at it constantly, Think it, Confess it and Do it

We have to be no longer "I" orientated, we must be emptied of self, so to be filled with heavenly inheritance, the very active presence of Jesus in us this is humility.

Pauls example Phil 3:4-14

Paul came to believe that his over self righteousness was a hindrance to his service, Let go and Let God.

Paul wanted something else "to know Christ and the power of His resurrection.

Phil 3:10

In our own strength we will fail to meet the requirements of God, we have Christ and the power of His resurrection at work.

Phil 1:6

Q: Still desire to be used of God

A: I hope so.

3) Determination

Determine in your heart never to allow whatever may have eventuated yesterday to stop you from striving toward your goal today and so finally attaining the prize for which God has called you. By taking hold of the very attitude of Christ Himself in unity and humility. It may not be too hard to take hold of an attitude of determination to win in Christ.

We all know what determination is all about, a determined Spirit is a might force indeed, can often get us into trouble and can accomplish good things. Channel our determination to be a winner for Christ.

Paul did not lack determination, he was determined to carry out God's will and to be a conqueror.

Phil 3: 13-14

Paul had his heart set on winning. Sometimes we may not lack determination but our confession is wrong.

Ever thought I know that I will win in the end, "I am so weak, so unable to do all that He wants me to do, this kind of talk throws doubt on His word.

How can we confess weakness and inability when we have been raised up to be seated in heavenly places with Christ, so above the power of darkness and so filled with Christ?

The closer we come to being effective disciples we come to realize "it is no longer I who lives but Christ who lives in me.

The presence of Christ that has replaced the "I of self" has made us temples of the Holy Ghost and mighty people, full of the Holy Ghost and able to be effective witnesses in Jesus, in Judea and Samaria and to the ends of the earth.

Acts 1:8

Let us go forth in the conquest of the calling of God in our lives, go forth in Holy Unity, Blessed Humility and Christ filled Determination.
