Gods Saving Power is at work today

I have witnessed the saving power of God over the last two weeks, on Wednesday the 7th my great granddaughter was found floating in the Pool, some children pulled Her out, as soon as her mother got to her she started CPR, it was nearly half an hour before the ambulance got to her, took her to Ipswich hospital, a team from the Mater children's ICU was rushed up there, as Ipswich Hospital does not have a Children's ICU unit, and little Abby who is only 20 months was placed on life support, and transferred to the Mater Hospital and Doctors there said that she probably would not survive, and if she did she would most likely have brain damage and be like a vegetable, they did not give much hope.

As soon as we were told we prayed and bound death from her and pled the saving power of the shed Blood of Jesus Christ over her, and rushed down there to the Ipswich hospital, when we got there they were still trying to stabilize her, to be able to move her to Brisbane, to see that little lifeless body was hard but we had to stand strong in our belief that Jesus is the Healer, as the parents are not saved yet.

The next day they lost her, but God is not finished with this little one yet and she was resuscitated, many things were happening with her organs over the next 5 days and the Doctors decided to do an MRI on her brain as they did not think that she had any brain function, we kept believing and pleading the blood and we had many friends and 3 churches praying for her also,

What a wonderful God we have, the results came back perfect not a thing wrong with her brain, they woke her up out of the comer the next day and she started breathing on her own,

One week later all the tubes are removed all her organ are working normal and she is almost back to her happy little self . The Doctors and nurses are calling her the little miracle Girl.

They are keeping an eye on her for a couple more days and she will most likely go home at the weekend say's the doctors,

What a wonderful miracle working God we have I cannot find enough words to thank Him, I love Him so much I just want to put my arms around Him and tell Him how grateful I am.

Jesus is still saving and healing today He never changes, and His Love is so great toward all people. And His desire is for all to be saved, “ and Give their lives to Him”.

I pray that this testimony of Gods healing Power will be an encouragement and a blessing to others.

May God bless you all

Pastor Ann.

**** Pss; Praise God, Abby was released from hospital on Thursday the 22nd 10- 09; two weeks and one day after the accident. **

RESTORING RELATIONSHIPS

Joel 2:25 And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you.

I believe the Lord wants to speak to our hearts today about Restoring Relationships; God says; He wants to restore what the locust has eaten, the cankerworm, and the caterpillar and the palmerworm; {that’s referring to what the devil has robbed us of}

John 10:10 tells us:- The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have [it] more abundantly. It is the devils job to pull down and destroy, have a look around and you will see he is doing a good job of it. But the great thing is, Jesus has come to restore, build up, encourage, that is what the Word says and we know it is the truth. { Do you want to know a real truth} { Fear is the dark room where we develop our negativity} Jesus will always build up, encourage and restore. You may ask how can God restore, in

Eph 3:20, the Word of God says: Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,

Power that’s the faith that works in us, according to the faith that works in us, God is able to do it.

First of all He wants to restore our relationships with Himself, you and I must make sure our relationship with God the Father is 100%, Not 99%. Because 99% is 1% short of what God requires of us. You know Saints it is such a wonderful thing to know that God is on our side, and when we Know God is on our side it is the most wonderful feeling, Amen.

God wants to restore families and friends also, did you know restoration can only come when two people agree to restore that relationship. For relationships to be restored we must go to the Word of God, because the Word says in:-

Matthew 6:33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

So I repeat what I said earlier; that we must make God No1 priority in our lives, and when we do that, then God can work on our behalf, But seek ye first the Kingdom of God.

We have a part to play too, we need to seek God for every broken relationship, we need His direction, weather

we have to come to a place of forgiveness or to ask for forgiveness, sometimes even though we are not to

blame, we need to make the first step to say sorry. You see the devil is in the business of destroying relationships, but our Lord Jesus is in the restoration business: Praise God.

God wants to see lives restored and made whole, we need to put our trust in the Lord. Can you Trust God! YES YOU CAN. Can I trust God; Yes I Can; Can God trust me? Well that is a different story. We need to be in a place where God can trust us.

God is building a nation and people together in unity, as one body of Christ His Bride. We have been called for a purpose and that purpose is to get Souls saved.

God bless you real good: Pastor Les

STEP INTO THE RIVER.

Revelation 22: 1. Then the angel showed me the river of the water of life, as clear as crystal, flowing from the throne of God and the Lamb. Niv. Bible.

There is a river of life that we can step into right now, when we accept Jesus as our Lord and Saviour, He, Jesus opened the way for us to come boldly to the throne of grace, Heb 4:16.

In that river of life flows all the promises of God, and that river will never dry up, as natural rivers do. God's river flows for ever.

God want's us to step into the river and accept those promise's that He so freely gives, all we have to do is ask, and when we pray and ask God, it gives God the Authority to work in our lives.

The Word says in, Luke 11:9-10. And I say unto you, "ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.

10, For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.

There are three keys that will enable us to receive all what God has for us , the first is, Prayer, "asking," second is, Seeking, "searching," and the third is, Knocking, "calling attention to,"

Prayer, as I said before opens the way to God, if we don't pray and just sit back hoping for something to happen it won't . So prayer is essential first and foremost.

Seeking, searching out all the promise's that have already been given so freely, so we need to accept those promises freely also.

Knocking, calling attention to, Praying God's word for His word will never return to Him void, for when we pray God's word it will accomplish what it say's it will.

So I encourage you today don't just dip your toe in the water or wade ankle deep but dive right in and accept all those wonderful promises that are awaiting you.

God bless you real good.

Pastor Ann.

** No wonder the Word of God tells us to trust in the Lord. Lean not to our own understanding, Study the Scripture below and see what the Lord wants us to see**

Proverbs 3:5 Trust in the LORD with all thine heart; and lean not unto thine own understanding.

:6 In all thy ways acknowledge him, and he shall direct thy paths.

:7 Be not wise in thine own eyes: fear the LORD, and depart from evil.

:8 It shall be health to thy navel, and marrow to thy bones.

“JESUS” Is still the answer today.”
